May 01, 2019

Greetings,

It is our pleasure to once again announce the beginning of the annual Tejano Music Awards nominations process. Please find the specific guidelines and nominations forms in this package for 2019.

The eligibility period for the 39th annual Tejano Music Awards is from January 01, 2018 through December 31, 2018. Only material released during the eligibility period will qualify. Do not submit material released from January through December 2017 or for January through December 2019 and/or previously submitted material for the 38th annual Tejano Music Awards or prior. One exception, this year, will be for single releases. For the 39th annual Tejano Music Awards, singles released from a 2017 or 2019 CD in 2017 will qualify for the Song of the Year category only (Submitted songs will not qualify for future awards). Another change will be in the Entertainer of the Year category. The winner of this particular category will be selected by a special committee appointed by the board of directors. This year the Tejano Norteño category will be excluded due to lack of participation. Qualifying Tejano Norteño submissions will be considered to be included in the Tejano Album of the Year category on a case by case basis. In addition we will be adding a new category. We'll be introducing the "Best Collaboration of the Year". The criteria will be listed below on page 15.

When submitting your nomination forms please include two (2) CD's (failure to submit your CD's will disqualify your entry). Send your CD's and bio to:

TTMA
P.O. Box 761358
San Antonio, TX 78245

Please read the guidelines carefully since changes may have been made to the criteria, categories, and/or voting process. Failure to follow these instructions prolongs the vetting process and may disqualify you from participating. If you have any questions, send an e-mail to: admin@tejanomusicawards.com

Good luck to everyone.

Frank H. Salazar,
Vice-president,
